

ГЛАВНАЯ СТРАНИЦА

1. Главная страница содержит ссылки на все сервисы MDConsult: поиск по ресурсам, новости медицины, рейтинг популярности статей, настройки личного кабинета, и др.

The screenshot shows the MD Consult homepage. At the top, there's a navigation bar with links to Home, First CONSULT, Books, Journals, The Clinics, Patient Education, Drugs, Guidelines, Images, News, and CME. Below the navigation bar is a promotional banner for the "MD CHALLENGE!" featuring a doctor and a smartphone. A search bar is prominently displayed with the placeholder "Search All Sections for [text]". Below the search bar, a message encourages users to "Save time with search results tailored for common clinical topics. Try it: Lung Cancer". There are two buttons: "View All Medical Topics" and "Resources for Your Specialty". On the left, a section titled "What Your Colleagues Are Reading" lists recent articles from Lancet and BMJ. On the right, a "News & Updates" section provides links to expert advice, FDA updates, and news. There are also links to sign up for the newsletter and RSS feed.

ПОИСК

2. В центре находится строка поиска. Поиск можно проводить, как по всему сайту, так и по отдельным видам ресурсов среди которых:

- книги*
- журналы* (используется поисковая машина Medline)
- клинические обзоры The Clinics of North America *
- материалы для пациентов
- клинические рекомендации
- справочник лекарственных средств
- иллюстрации из книг и журналов Elsevier
- новости медицины (обзоры медицинских журналов)

* Объем доступных полнотекстовых материалов зависит от выбранных Вами условий подписки.

This screenshot is similar to the one above, showing the MD Consult homepage. A blue arrow points to the search dropdown menu, which is open and displays options like "All Sections", "Books", "Journals / MEDLINE®", "The Clinics", "Patient Education", "Drugs", "Guidelines", "Images", "News", and "Procedures Consult". The rest of the page content is identical to the first screenshot, including the search bar, promotional banners, and news sections.

ПАНЕЛЬ НАВИГАЦИИ ПО РЕСУРСАМ

3. Панель навигации содержит строку поиска (A) и ссылки на ресурсы (Б).

This screenshot shows the MD Consult homepage again. Two large blue arrows are present: one labeled 'A' points vertically upwards to the search bar, and another labeled 'B' points vertically upwards to the navigation menu. The rest of the page layout is consistent with the previous screenshots.

РЕКОМЕНДОВАННЫЕ РЕЗУЛЬТАТЫ ПОИСКА

4. Функция поиска возвращает 2 вида результатов: **Рекомендованные результаты** (*Recommended Results*) и **Общие результаты поиска** (*Top Results from All Sections*).

Рекомендованные результаты включают в себя те источники, в которых на взгляд профессиональной редакции MDConsult, приведена наиболее полная, клинически важная и актуальная информация, соответствующая поисковому запросу.

Результаты поиска разбиты на секции, расположенные в такой же последовательности, в которой перед врачом появляются вопросы.

1. First Consult (только для подписчиков *)

2. Общая информация (Overview)

3. Эtiология (Etiology)

4. Симптомы (Signs & Symptoms)

5. Диагностика (Diagnosis)

6. Лечение (Treatment & Management)

7. Прогноз (Prognosis)

8. Профилактика (Screening & Prevention)

Для любого поискового запроса выводятся также разделы:

9. Уточнение поиска (Refine Your Search)

В панели приводятся родственные термины, использование которых в поисковом запросе позволит сузить поиск и быстрее найти ответ.

10. Информация для пациентов (Patient Education)

11. Клинические рекомендации (Practice Guidelines)

12. Информация о лекарственных средствах (Drugs)

РЕСУРСЫ MDConsult

- КНИГИ

6. Электронные книги для удобства загрузки разбиты на мини-разделы, переход между которыми легко совершить, воспользовавшись **Оглавлением (Contents)**.

Каждая книга содержит **Предметный указатель (Index)**, облегчающий поиск терминов.

Любую иллюстрацию можно просмотреть в лучшем качестве, кликнув по ней.

The screenshot shows the MDConsult interface for a book. On the left, a sidebar has tabs for 'Contents' and 'Index'. The main area displays the 'TREATMENT OF HCV INFECTION' chapter from 'Young: Clinical Hematology, 1st ed.'. It includes a figure titled 'Figure 78-7 A' showing patterns of HCV treatment response. Below the figure, text discusses SVR rates and treatment schedules for different genotypes. Navigation links like '<< Previous' and 'Next >>' are at the top right.

РЕСУРСЫ MDConsult

- журналы и The Clinics of North America

7. На платформе MDConsult размещено >80 журналов Elsevier и >30 клинических обзоров (The Clinics of North America). С полным списком можно ознакомиться на сайте ([см. полный список журналов](#))

Для журналов Elsevier, размещенных на платформе доступны полнотекстовые PDF*

Поиск проводится по базам Medline и может быть выполнен как по всем журналам, так и по одному журналу. В результатах поиска легко можно отсортировать только статьи с доступным PDF.

На странице журналов доступен еженедельный обзор статей из самых авторитетных медицинских журналов, выпускаемых другими издательствами (JAMA, NEJM, BMJ, etc.).

* PDF статей доступны за последние годы. Глубина архива индивидуальна для каждого журнала (обычно от 5 до 15 лет).

The screenshot shows the MDConsult journal search interface. At the top, there's a navigation bar with tabs for 'Home', 'First CONSULT', 'Books', 'Journals', 'The Clinics', 'Patient Education', 'Drugs', 'Guidelines', 'Images', 'News', and 'CME'. Below the navigation is a search bar with fields for 'Last Name', 'First Initial', 'MI', 'Author', 'Journal Name', 'Date Range', 'Article Type', 'OR Date', 'Ex. Mar 2002', and 'Subject Age'. The 'Journals' section lists several medical journals with their full-text availability spans:

- American Family Physician (January 1999 - present)
- American Heart Journal (January 1995 - present)
- The American Journal of Cardiology (January 2001 - present)
- American Journal of Emergency Medicine (January 1995 - present)
- American Journal of Gastroenterology (January 1995 - December 1997)
- American Journal of Kidney Diseases (January 1999 - present)
- The American Journal of Medicine (January 2001 - present)
- American Journal of Obstetrics and Gynecology (January 1995 - present)
- American Journal of Ophthalmology (January 2004 - present)

To the right, a 'In This Week's Journals' section lists recent article summaries from various journals.

РЕСУРСЫ MDConsult

- информация для пациентов

7. Информация для пациентов включает в себя рекомендации по приему препаратов, сгруппированные как по болезням, так и по лекарственным препаратам.

Информация взята с авторитетных источников.
